

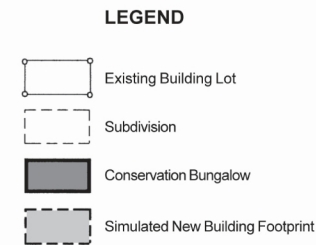

Figure 4 : Good Class Bungalow Area

NOTE : SITUATION ACCEPTABLE

This situation shows 1 sub-standard plot size (not less than 1000m²), and a total land area together with the conservation bungalow plot that is not less than 2800m².

SITUATION 2

| PLOT | LAND AREA |
|------|---------------------|
| 1 | >1400m ² |
| 2 | 1200m ² |
| 3 | 1200m ² |
| 4 | >1400m ² |

NOTE : SITUATION NOT ACCEPTABLE

This situation shows 1 conservation bungalow plot larger than 1400m² with 2 proposed deficient plots. This is not in order as only one residual plot with deficient plot size is allowed for each conservation bungalow.
