## Introduction

- This Fee Schedule shows the fees payable for Development Applications submitted to URA and other Development Control services. It takes reference from the Planning Act (Cap 232) and its subsidiary legislation.
- With effect from 1 Aug 2022, fees stated in Tables 1 – 6 are not subject to GST. Fees in Table 7 are inclusive of GST.

Table 1: New Erection applications<sup>1</sup>

<b>Type of application</b>	<b>Detail</b>	<b>Fee (\$)</b>
<i>Outline Application</i>	<i>Fee for Outline Applications for New Erection are 50% of the formal application fee. The Outline Application fee will not offset the subsequent formal application fee.</i>	-
<i>Multiple Development Options (MDO)</i>	<i>Fees are charged based on the option with highest application fee payable, and each additional option is charged 75% of the formal application fee.</i>	-
Land extensive development (as listed in <a href="#">Table 8</a> )	First 1,000 sqm of development site area or part thereof	3,745
	Subsequent 1,000 sqm of development site area or part thereof (per additional 1,000 sqm)	107
Land intensive development (Group A & B shown in <a href="#">Table 9</a> )	First 1,000 sqm of GFA or part thereof	3,745
	Subsequent 100 sqm of GFA or part thereof (per additional 100 sqm) for Group A developments	214
	Subsequent 100 sqm of GFA or part thereof (per additional 100 sqm) for Group B developments	107
Landed Housing	Single unit of landed dwelling house in GCBA	8,560
	Single unit of landed dwelling house outside of GCBA	6,420
Free-standing structure	Erection of free-standing structure, including ORAs, of < 120 sqm GFA (per 30 sqm of GFA or part thereof)	642

<sup>1</sup> For redevelopment proposals where the existing development was approved before 1 Sep 1989, there may be a need to re-compute the approved floor area of the development to the current GFA definition. If applicable, this requirement will be conveyed to the Applicant in the Grant of Provisional Permission. An additional fee for GFA verification (see [Table 7](#)) will be payable.

Table 2: Additions & Alterations (A&A) applications, and Amendment to New Erection/A&A Approved Plans<sup>2</sup>

<b>Type of application</b>	<b>Detail</b>	<b>Fee (\$)</b>
<i>Outline Application</i>	<i>Fee for Outline Applications for A&amp;A are 50% of the formal application fee. The Outline Application fee will not offset the subsequent formal application fee.</i>	-
<i>A&amp;A involving erection/extension of a new building</i>	<i>Fees will be based on the GFA of the new building and computed as “Land intensive development”. Refer to <a href="#">Table 1</a></i>	
<i>A&amp;A to conserved building within Historic Conservation Areas</i>	<i>Refer to <a href="#">Table 3</a></i>	-
<i>Multiple Development Options (MDO)</i>	<i>Fees are charged based on the option with highest application fee payable, and each additional option is charged 75% of the formal application fee.</i>	-
Land extensive development (as listed in <a href="#">Table 8</a> )	-	5,136
Land intensive development	Fee will be based on the number of affected storeys. <sup>3</sup>	3,745 + 642 per affected storey
Landed Housing	Single unit of landed dwelling house, or single unit of strata landed dwelling house	3,210
Free-standing structure	A&A to free-standing structure, including ORAs, of < 120 sqm GFA	642
Minor A&A to a single residential strata unit	Applicable for residential flat or condominium development	642

<sup>2</sup> For certain major A&A or Amendment to A&A proposals, there may be a need to re-compute the approved floor area of the development to the current GFA definition. If applicable, this requirement will be conveyed to the Applicant in the Grant of Provisional Permission, and an additional fee for GFA verification (see [Table 7](#)) will be payable.

<sup>3</sup> Storey refers to the horizontal arrangement of parts of a storey of a building. The roof, an attic, a mezzanine floor, and a basement floor are each considered a storey. Typical storey plan will be counted as one storey. All ancillary facilities within a development, excluding separate car park buildings, are considered to be a building having a number of storeys equivalent to that of the ancillary facility with the highest number of storeys in the development.
