

**Status of the GLS Programme for the second half of 2022 (2H2022)
(as at 8 December 2022)**

- 1 The second half of 2022 (2H2022) GLS Programme comprises fourteen sites, of which six are on the Confirmed List and eight are on the Reserve List.
- 2 To date, four of the Confirmed List sites have been launched for tender and the remaining two Confirmed List sites [i.e. Tengah Plantation Loop (EC) and Tampines Avenue 11] will be launched in the later part of December 2022.
- 3 As a result, a total of six residential sites, one White site and one hotel site remain on the 2H2022 Reserve List and will be carried over to the first half of 2023 (1H2023) GLS Programme.
