

**Status of the GLS Programme for the first half of 2022 (1H2022)  
(as at 7 June 2022)**

- 1 The first half of 2022 (1H2022) GLS Programme comprises thirteen sites, of which five are on the Confirmed List and eight are on the Reserve List.
- 2 To date, four of the Confirmed List sites have been launched for tender and the remaining Confirmed List site [i.e. Bukit Batok West Avenue 5 (EC)] will be launched in the later part of June 2022.
- 3 The Reserve List site at Kampong Bugis has been removed from the 1H2022 Reserve List due to delays in the completion of soil remediation works at the site. The Government will review the development staging plans for the site.
- 4 As a result, a total of five residential sites, one White site and one hotel site remain on the 1H2022 Reserve List and will be carried over to the second half of 2022 (2H2022) GLS Programme.
