

## Annex C: Programmes at i Light Singapore 2022

### Light Forum

Light Forum is a curated series of talks, tours and workshops that will take place on Fridays, Saturdays and Sundays throughout the Festival. Featuring professionals from the art, design, and sustainability fields, these informative and interactive sessions offer visitors a deeper understanding of the Festival's artworks and related topics such as lighting design and sustainability.

- **Talks:** Enhance your understanding of the artworks by listening to local and international artists and professionals share about topics ranging from lighting design, art to sustainability.

Dates: 4, 11, 18, 25 June

Location: DBS MBFC Auditorium - 12 Marina Boulevard Tower 3, #3 Level, Marina Bay Financial Centre, 018982

*Supported by DBS*

- **Light Tour:** Explore the world of lighting design by joining walking tours led by members of the International Association of Lighting Designers (IALD). Participants can interact with lighting designers and find out how lighting design has been woven intricately into our city.

Dates: 4, 18 June

Location: National Gallery Singapore, PARKROYAL COLLECTION Marina Bay

- **Lighting Guerrilla:** On the last two days of the Festival, visit Jubilee Bridge and Bayfront Bridge for a showcase of temporary lighting installations put together by students from local educational institutions who had earlier participated in workshops focusing on experimentation with light and spontaneity.

Dates: 25, 26 June

Location: Jubilee Bridge, under Bayfront Bridge

### GastroBeats

GastroBeats, the ultimate festival for those who enjoy good food and fun vibes, promises an exciting lineup of live performances, delicious food options from renowned local and international culinary personalities, graffiti art, and a massive food-themed inflatable park. Whether you're looking to enjoy some good eats or have some fun, GastroBeats has something for everyone.

The 14,200sqm urban lifestyle park offers a variety of experiences. A walk down *Local Streets* will allow you a taste of Singapore's dynamic hawker and street food culture, while acclaimed chefs from around the region will converge at *Culinary Masters* with a different collaboration menu presented each week by Sarah Todd and chefs George Calombaris, Genevieve Lee

and Derek Cheong of MasterChef fame. Explore Singapore's vibrant street art scene at the *Art Zone*, and the kids (and young at heart) can get their heart pumping at *Jumptopia's* gigantic food-themed inflatable playground.

GastroBeats will be open from 10.30am - 10.30pm daily from 3 - 26 June 2022. Admission tickets start from \$9 (not inclusive of food and drink). This is a cashless event.

Tickets are available on [Klook](#). For more information, please visit [www.gastrobeats.com](http://www.gastrobeats.com).

## **Light Wash**

In line with the Festival's colour theme this edition, buildings and bridges around the Bay will be lit up in a violet hue on Festival nights, complementing the light art installations and providing visitors a charming festive ambience.

## **Drone Nation @ The Lawn**

Presented by the pilot Business Improvement District, Marina Bay Alliance, Drone Nation @ The Lawn invites visitors from all walks of life to try their hands at operating luminous drones within a large drone cage, and also participate in a series of programmes that promote awareness on sustainability.

## **Tours guided by Let's Go Tours**

Join experienced guides from Let's Go Tours on foot or on bicycles as they take visitors on a guided journey to look at the Festival from different perspectives, and introduce the artworks as well as landmarks around Marina Bay through interesting trivia and stories. Book your guided tour tickets [here](#).

## **Rediscover Marina Bay Walking Tour**

Discover how the sea was transformed into a distinctive and sustainable district in the heart of our city. Find out what lies beneath Marina Bay to support sustainable living, and how urban planners sculpted a skyline that is distinctively Singapore. Get the story behind the centrepiece of Singapore's transformation efforts by joining this special 90-minute walking tour led by URA volunteers, before commencing your experience at i Light Singapore 2022.

Available on selected Wednesdays. Sign up [here](#).

## **Switch Off, Turn Up**

A key component of the Festival's sustainability efforts since its inception in 2010, the 'Switch Off, Turn Up' (SOTU) campaign promotes energy efficiency by rallying organisations around Marina Bay and beyond to switch off non-essential lightings and turn up their air conditioning temperatures. Stakeholders are also encouraged to continue practising these energy-saving habits beyond the Festival period.

## i Light Singapore x SusGain

The Festival is pleased to partner SusGain, a social enterprise on a mission to make sustainable living in Singapore more convenient, fun and rewarding, on the following two initiatives:

- **i Light i Pledge** - Visitors are invited to pledge to take up sustainable habits and learn more about how they can put their commitment into action at the Festival and beyond.
- **i Quest** – Festival-goers can pick up tips on sustainability and stand a chance to win prizes. Using the [susGain](#) rewards app, participants can go around Marina Bay to learn about the sustainability considerations behind each artwork.

Take the pledge and join the quest [here](#).
