

**Status of the GLS Programme for the second half of 2024 (2H2024)
(as of 6 December 2024)**

- 1 The 2H2024 GLS Programme comprises nineteen sites, of which ten are on the Confirmed List and nine are on the Reserve List.
- 2 To date, all ten Confirmed List sites have been launched for tender, with the last tender to close by July 2025.
- 3 The 1H2024 Confirmed List residential site at Media Circle for dedicated Long-stay Serviced Apartments use and 1H2023 Confirmed List White site at Jurong Lake District, which were not sold, have been placed on the 1H2025 Reserve List. The 2H2023 Confirmed List residential site (with a Long-stay Serviced Apartments component) at Upper Thomson Road (Parcel A), which was not sold, has been placed on the 1H2025 Confirmed List. In view of market feedback, the Long-stay Serviced Apartments use will be retained for the site at Media Circle but will no longer be mandated for Upper Thomson Road (Parcel A).
- 4 Excluding the above sites, a total of five residential sites, one commercial site, two White sites and one hotel site remaining on the 2H2024 Reserve List will be carried over to the Reserve List of the 1H2025 GLS Programme.
